Sudoku (8)

50 minutes, 10 puzzles

Rules

Each packet contains ten Sudoku puzzles. The puzzles increase in difficulty by each pair, where puzzles 1 and 2 are the easiest, and puzzles 9 and 10 are the hardest. The different levels are worth different points. You will have 50 minutes to complete as many puzzles as possible. Points will be awarded only for completed puzzles. However, incomplete puzzles may be used as a tiebreaker.

Note this event has NO answer sheet so please directly write all numbers into the blanks provided on the puzzles.
