

**45<sup>th</sup> Annual Greater San Diego  
Middle School Math Field Day  
May 10, 2014**

## Sudoku

Rules:

Each packet contains ten Sudoku puzzles. The smiley faces indicate the level of difficulty, with one smiley face being the easiest. The different levels are worth different points. You will have 50 minutes to complete as many puzzles as possible. Points will be awarded for only completed puzzles. However, incomplete puzzles may be used as tie-breakers.
